Staff Agreement

Etowah District welcomes and appreciates the help that you have volunteered to give us this year. We feel that a thorough understanding of Camp policies and staff operations is necessary in order to have a happy and rewarding Day Camp experience. Our purpose is for this day camp to operate smoothly and efficiently, and we want to make you aware of Camp rules and policies.

Staff members, in many respects, act in lieu of parents. The example the staff members set for these Scouts influence them positively or negatively, as the case may be. We want you to set the best example possible through personal neatness, language, manners, and any other conduct that could influence the Scouts. We request that you display a positive attitude, adhere to camp dress codes, and be conscious of the language that you use around the day campers.

You should use the principles you have learned in Scouting when dealing with the Scouts individually or as a group. Use the following guidelines in this area, as the Promise, Motto, and Outdoor Code encompass the basic ideals of Scouting:

Cub Scout Promise
I promise
To do my best
To do my duty to God and
My country
To help other people, and
To obey the law of the Pack.

Motto
Do Your Best

Outdoor Code
As an American
I will do my best to
Be clean in my outdoor manners
Be careful with fire
Be considerate in the outdoors and
Be conservation minded.

1. Dress for Day Camp will be the camp T-Shirt, closed toe shoes, and either uniform shorts or shorts of comparable length. No short-shorts or halter tops. We also suggest you wear discreet attire at the swimming pool (no bikinis). Any questions about dress code should be directed to the Camp Director

2. There should be no swearing or inappropriate language used around the campers.

3. We prefer that you do not smoke, but if you choose to smoke, you should only smoke in the designated areas located behind the dining hall. We don't want you to be uncomfortable, but we want to make sure that we do not encourage smoking.

The duties and responsibilities of each staff member will be given prior to the first day of camp, as well as assistance and information needed to carry out those assigned duties. However, circumstances may arise where the Camp Director may ask for additional assistance to benefit the overall Day Camp. Our primary goal is a quality program for our Scouts. We cannot guarantee that parents will be placed in the same dens with their scouts.

The Camp Director reserves the right to cancel all or part of this agreement under the following conditions:

a. In the event of unsatisfactory performance.
b. For personal conduct not in accord with Scouting principles.
c. If camp attendance makes it necessary to curtail all or part of Day Camp.
d. For any reason beyond the control of the Camp Director that necessitates the closing of the camp.

If you have any questions or reservations about anything that has been listed in this agreement, you should review this matter with the Camp Director before signing this agreement. If you agree to follow all of the camp rules as set forth in this agreement, please sign and date this Agreement below.
