OUTDOOR LEADER SKILLS FOR WEBELOS LEADERS

Outdoor Leader Skills for Webelos Leaders presents "how to" in planning and conducting successful Webelos Den parent and son overnight campouts and other Webelos outdoor activities. It reinforces — but does not duplicate — what you learned at Cub Scout Leader Specific Training. This course provides "hands-on" learning experience in camping and outdoor skills as done by Webelos Dens.

This is the three-day version of the course, most of which will be taught in conjunction with, and as part of, Introduction to Outdoor Leader Skills. To be fully prepared as a Webelos Den Leader or Assistant Webelos Den Leader, you should attend both Outdoor Leader Skills for Webelos Leaders and Webelos Leader Specific Training, but Leader Specific Training is not a prerequisite for this course.

**Introduction to Outdoor Leader Skills
&
Outdoor Leader Skills for Webelos Leaders**

Dear Scouter,

This letter is to provide information about the upcoming Introduction to Outdoor Leader Skills and Outdoor Leader Skills for Webelos Leaders courses. We are glad you will be joining us for a fun-filled weekend, and memorable outdoor learning experience.

Our weekend at Belk Scout Camp (formerly known as Clear Creek Scout Camp) will begin on Friday, November 14, 2014 with check-in from 5:45 pm until 6:45 pm. **Please eat dinner prior to arriving to the course.** The Course will begin promptly at 7 pm. Please plan to arrive early enough so that you can drop your gear at the Catawba Shelter before we start at 7PM in the Training Development Center. The Course will end at around 2:00 p.m. on Sunday, November 16, 2014. **Please make arrangements to attend the entire course during this time frame.** The schedule is full and you won't want to miss any of the activities.

Enclosed are directions to help you find your way to Belk Scout Camp (still shown as Clear Creek on the attached map) and to the Catawba Shelter where equipment drop off and check-in will be held. Once your equipment is dropped off at the Catawba shelter, please park your vehicle at the Dining Hall parking lot and come to the Training Development Center – one of our staff members will point you in the right direction once you park your car.

At the Friday evening check-in, please turn in completed Parts A and B of the BSA Annual Health and Medical Record – Form No. 680-001 (a copy of the blank form is attached and also may be downloaded from http://www.scouting.org/filestore/HealthSafety/pdf/680-001_AB.pdf. **YOU MUST PROVIDE A COMPLETED COPY OF THIS FORM TO PARTICIPATE!**

The “What to Bring” checklist covers the equipment you will need to bring to camp. If you do not personally own any of the items listed, you may want to contact other troop or pack leaders or friends to borrow them for the weekend. While we want you to be comfortable, we want to ensure you make the most of this training without shouldering too many expenses.

The Course Quartermaster will provide all the food, including cracker barrels, but if you want to bring your own snacks, please feel free to do so.

Please remember that the weather this time of year can be highly variable and can change quickly. Please make sure that you bring plenty of warm layers, and wet weather protection. You will be camping, and most of the course will be held outdoors, rain or shine!

If available you should wear your Class “A” uniform. To maximize your exposure to new ideas, participants from the same unit will be placed in separate patrols.

In addition, please let us know if you have any physical limitations or special dietary or medical needs so we can be prepared before the course begins. The staff looks forward to working with you and seeing you there!
